

Thy Kingdom Come Here

A BLESSING PRAYER

We bless this area to see God's kingdom come and for Jesus to be glorified. We bless your Church to be one and to be a light in this community. May your church arise and may many hearts turn to you Lord Jesus.

We bless every home in this area to be full of life, of health and well-being. Father, release your peace and your hope. Heal all who are sick and comfort all who mourn in this community.

We bless each person to have what they need, may every home be warm, dry and have food provided. May every person know they are valued and have a sense of purpose and meaningful employment.

We bless every family to be connected and relationally healthy. Each child to be safe, nurtured and educated. Each person living alone to be connected, cared for and supported. Bless the elderly in this area at this time.

We bless every business in our community to prosper. We also bless those who lead in this area and those with influence. Give them wisdom and resources to lead well. May they lead with vision, integrity and honour.

We bless this community to be one of peace with crime eliminated. We bless this area to be one of justice and to be totally free from racial inequality and discrimination of any kind.

Father thank You, that we can join with Your heart to bless. We pray all these things in Your name Jesus, Amen.
